## A special poem to all who have a "MOM"

There are Angels God put on this earth  
who care for us and guide us.  
You can feel their love and gentleness  
as they walk through life beside us.

They do great things for us every day  
they whisper in our ears,  
they even hold us in their hearts  
when we are filled with all our fears.

They are always there to give a hug  
and try to make us smile  
They treat us with respect and love,  
They treat us like their child.

God blessed me with an Angel,  
I'm proud to call my own.  
She has been with me throughout my  
life, been with me as I've grown.

She guided me the best she can,  
she`s taught me like no other,  
and I`m thankful I`m the lucky one  
who gets to call her  
Mother

Reminder: the Mobility clinic is here every Friday to  
fix all walkers and wheelchairs.

Please ask The Wellness staff to book your  
appointment.
