### A special poem for "Dads"

He never looks for praises  
He 's never one to boast  
He just goes on quietly working  
For those he loves the most  
His dreams are seldom spoken His  
wants are very few  
And most of the time his worries  
Will go unspoken too  
He's there...A firm foundation  
Through all our storms of life A  
sturdy hand to hold to  
In times of stress and strife  
A true friend we can turn to When  
times are good or bad One of our  
greatest blessings, The man that we  
call Dad
