Issue 33, November 2021

Manager's Corner

November is the perfect time to reflect on the past and look forward to the future. As we thank the thousands of men and women who fought for our freedom this Remembrance Day, let us show our pride.

We will honor the brave, and those who made the ultimate sacrifice that we will never forget.

We Remember

Sincerely,
Shannon

Daylight Saving Time Ends

It's time to turn **BACK** our clocks! The sun will set one hour earlier on November 7th, than the day before.

When DST observation ends and standard time observation resumes, clocks are turned back one hour during the very early morning. **Please turn your clock back before bedtime**

Saturday November 6th.

Remembrance Day

Please join us Thursday November 11th commencing at 10:30am to show your gratitude as we honour the brave and support our troops, past and present. In honour of those who fought for our freedom, we will be airing a series of Canadian contributions listed under "War Wednesday". We will also showcase war based movies as part of our Monday Movie Madness. Please note these series are of violent nature and viewer discretion is advised.

LEST WE FORGET

Pipes and Drums

I'm excited to announce an encore presentation by the Midland Pipes and Drums Band, scheduled for Monday November 15th! Please note this highly anticipated concert will take place in the Roberta Room, and some may find the music quite LOUD, therefore seating will be set up at the far end of the room and will filter into the cafe. Please come prepared.

ESM

Please welcome Thomas Jarlette as our new Environmental Service Manager. Thomas will be joining our management team starting Wednesday November 3rd on a part time basis as Thomas will also be filling the role of maintenance electrician for Jarlette Health Services. Please be sure to say “hello” when you see him.

Better Late Than Never

Our “Better Late Than Never” program continues this month with a lobster dinner for our friend Carl N. Please join me in congratulating Carl, as he and one guest will be treated to a lobster dinner at a restaurant of Carl’s choice.

All Requests Concert

Our friends Jeff and Donna will be returning Tuesday November 23rd for an “All Requests” concert, so put on your thinking caps and place your requests in advance with Shannon. As Jeff and Donna will need a little time to rehearse your favorite hits, please get your list ready as soon as possible.

Christmas Charity

Residents have voted and our Christmas charity for 2021 is the Elmvale & District Food Bank. The newly opened location operates solely off donations from generous community members, and their mission is to provide immediate help to those in need, from the Township of Springwater to the south portion of the Township of Tiny.

Wellness Updates!

It's that time of year again when we start thinking of flu season and our annual flu clinic. As in years past, the Villa Retirement Lodge will be hosting a "Flu Clinic" for all residents and staff, **THURSDAY NOVEMBER 4TH** commencing at 1pm based on a door to door vaccine service. Why get the vaccine? The influenza vaccine can keep you from getting sick from the flu, in turn protecting you and those around you that may be more vulnerable to serious flu related illnesses. The risk increases as we age, particularly those 65 years of age and older who are at a greater risk of developing severe complications.

Birthdays in November

A very special happy birthday to the following resident:

Betty D.

Ed G.

Rika H.

Angela A.

Norma J.

Pam W.

Birthday cake will be served with lunch on
Wednesday, November 3rd!
