St Angela's Meadow Retirement Lodge March 2024

Spring is in the air!!

I always feel so revived in the Spring. The hint at warmer days, daylight savings time and a glimpse at all the Spring has to offer. Pretty soon our community will be back to green and the buds will sprout on the trees.

In my office we are working on the final plans for the lobby bar and the construction that will take place with that. I can't wait to see the finished bar set up and functional.

Please take the time to come and participate in some of the new rec activities. They look like a lot of fun.

As always keep safe and be well
