General Manager's Message:

May is here.....Spring is here, the grass is turning green, the days are longer and the weather is warming up.

It is with a heavy heart that I write my final message as the General Manager of Muskoka Landing Retirement Lodge.

I want to thank each and every resident for the past 11 months, your smiles and laughter throughout the Lodge fills my heart with so much. To the residents in the townhomes, our first residents. I will miss each one of you and I am grateful that I have had the opportunity to get to know each of you and welcome you home either to the Lodge or the townhomes. To the staff of Muskoka Landing Retirement Lodge. Your continued dedication to making an outstanding difference in the lives of others is admirable. Each one of you bring your own special touch to your roles here at the Lodge, and it is so appreciated by the residents, families and management. Keep being you!

To the Management, I just can't find the words to express my gratitude, thanks, and admiration I have for you. Muskoka Landing Retirement Lodge would not be what it is today, without all of you. So thanks, I mean this from the bottom of my heart.

Environmental Message:

Happy Spring everyone! Just a heads up, we have some spring maintenance happening soon. From May 27th to May 31st, we're getting the windows cleaned on the Lodge, Townhomes and the Long Term Care Facility. Also, starting the week of May 5th, they will be opening up the irrigation system. Also in May, the contractors will be back to finish up the flower beds and seeding the lawn.
