## September 2024

**General Managers Message: Well Summer is winding down, I am sure for most of you it went way to fast!**

**We are almost ready to have a Grand Opening for our bar area.... More to come. Lots of exciting things happening throughout the home in the upcoming months.**

**We will be honouring 2 ( 1 resident and 1 Team member) individuals for our MADA awards!**

**Also we will be holding a Years of Service award as well for all of our team members.**

### The Down Low:

As September arrives, it brings with it the first hints of fall! The leaves are starting to change, the weather begins to cool down, and the days are growing ever so shorter. It's also a new season of possibilities. We have plenty of events and social coming up in the next month.
